St Kilda Club

PHOTOGRAPHY COMPETITION 2017

The competition is organised to stimulate photographic activity in connection with St Kilda and its environs.

The competition is open to all St Kilda Club members and there is no restriction on when the pictures were taken; any year will do.

The competition is to find the best photograph taken during the course of a trip to St Kilda. A **total of three (3) entries only** can be submitted. They can be in different media and in any category as shown on the Entry Form below.

Digital images should be in JPEG format and written or 'burned' to a CD. Please make sure the disk can be opened on any CD player – if you leave the disk in a format where you can continue to write to it in the future, it will **not** open on another PC. This will be shown as an option when burning the CD. Alternatively, take the image to a local Boots™ store where they will burn a CD as you wait.

Digital images will not be returned, but destroyed after the Reunion (but see note concerning 'copyright').

Digital Images may also be submitted by Email provided these are high resolution images

Please note that images taken on mobile phones may not look very good when projected to screen size!
